EXPERIENCE

Prior to the establishment of McKerrell Architects in 2002, Tom was Chairman and CEO of McKerrell Lynch Pty Ltd and Joint Principal Cunningham McKerrell. In thirty years of practice he has consulted to a wide ranging clientele on architectural commissions. He has had extensive experience in all facets of architectural design and building construction, both as Director in development companies and as a consultant architect.

Over the period he has built a reputation for the design of numerous buildings exhibiting design innovation and with a practical approach to building construction. He has applied his specialist architectural skills and his considerable knowledge and expertise in dealing with Local Authorities in assisting many clients achieve their desired goals and town planning approvals for a range of projects.

As Managing Director of McKerrell Architects he continues to be instrumental in assisting clients in the initial stages of projects dealing with the concept design and client liaison, working with senior personnel of client organisations to achieve building developments which are functional, cost effective and market leaders within designated time programmes and budgets.

He is committed to the new professional practice and to:

- developing the skills and expertise of staff to meet the needs of a changing industry;
- delivering a quality service in areas of presentation, design and documentation and on site services;
- provide quality and relevant services to the firms Clients; and
- assisting Clients in achieving their expectations and goals.
